MEMORANDUM FOR THE RECORD

SUBJECT: Agreement on CIA Reporting of Unauthorized Disclosures

In the course of the recent program review, 11 February, a new procedure for reporting of unauthorized disclosures to the ICRC was agreed upon. Beginning with the first semi-annual report in July, CIA will report all unauthorized disclosures in a statistical summary format. Because of the highly sensitive nature of some of the information involved, the background documents for the report will be on file and available for ICRC review at CIA Headquarters in Langley.

Mr. John Cornett of the ICRC staff [redacted]

[redacted] thought this procedure would be acceptable to Mr. Wells, Executive Director ICRC.
